Hisar Campus 2026 - 2027 School Fees Information

The Istanbul International Community School is a non-profit school.

Operational costs are covered by school fees and the remaining revenue is re-invested into our school to foster a cycle of continuous improvement.

School Fees for Individuals - Applicable for those families who receive no assistance from an employer to pay or defray the cost of educating their children.

1. APPLICATION FEE — New Students Only — Due at application

one time charge

The Application Fee supports the administration of the application process, including the development and maintenance of admissions systems.

\$300*

This ensures a high standard of service while being fair and consistent to all our applicants. As such, applications will only be processed upon receipt of the application fee.

2. REGISTRATION FEE — New Students Only — Due after acceptance

one time charge

The Registration Fee is required to be paid once an application has been fully submitted and approved by the academic principals.

\$1.200*

3. CAPITAL LEVY FEE — Newly enrolling students in Grade 1 and above — Due by 15 July 2026 Re-enrolling Grade 1 students.

one time charge

The fee is charged for newly enrolled students entering Grade 1 or above. There is no capital levy fee for students in the Early Years Program (EY3 to EY5).

\$8.000*

Re-enrolling students will pay the Capital Levy when they enroll in Grade 1.

The Capital Levy Fee allows the school to make investments in learning resources, technology and physical infrastructure that fall outside the scope of its annual operating budget.
